 **Remember This.** 
Because We Can't Afford to Forget.

On September 11, 2001, Americans woke to face one of the most challenging times in our history. We cannot forget that horrific day—nor the sacrifices that the men and women in uniform and their families are making every day.

Terrorists can strike anytime, anywhere. Americans have always risen to overcome such threats to our way of life.

This time, right now, is no exception.
But it will take all of us ... *Always Ready, Always Alert.*
